

WRAP COVER

## WRAP COVER

Our Wrap Cover is designed alongside our amazing warranties to give you 100% peace of mind and to keep your wrap looking its best.

Protect your vehicles wrap condition, your No Claims Bonus, Bank Balance and gain Rewards of up to 30% off your next wrap.

Our Wrap Cover is a cover to help maintain the appearance and value of your wrap without the need to make claims on your motor insurance or put a hole in your bank balance.

Claiming any kind of wrap damage on your motor insurance would impact on your insurance claim record, cost you a substantial excess and increase your future premiums. No matter how carefully you drive or how considerately you park - all vehicles are likely to suffer scratches, chips and parking damage. If left unattended, these types of small damage can deteriorate and cause lifting, peeling and cracking.
